PROFESSIONAL SUMMARY

I am a skilled professional with a robust nursing background and education, characterized by strong motivation and enthusiasm. Possessing excellent communication skills, I am adept at adapting to the dynamic demands of my profession and understanding the perspectives of others. As a conscientious registered nurse, I bring over six years of post-graduate experience dedicated to delivering high-quality patient care.

My career reflects a commitment to promoting client health through diverse roles, effectively collaborating within multidisciplinary teams, and contributing actively to shared objectives. With expertise spanning general nursing. I navigate both private and public healthcare settings with ease. Known for fostering therapeutic nurse-patient relationships, I am recognized for my caring demeanor and reliable approach.

My leadership qualities include courage and integrity, guiding decisions that prioritize patient welfare while ensuring adherence to hospital protocols and professional standards. I am dedicated to advancing my nursing expertise and driving innovation, consistently striving for excellence in patient care and operational efficiency.
